Attendance, interest and prior knowledge, assessment of the requirements/level

I have attended at least two thirds of this lecture/seminar.

I have been interested in the topic of this lecture/seminar beforehand.

Before attending this lecture/seminar, I already had comprehensive knowledge regarding the subjects covered here.

The extent of the subject matter covered in this lecture/seminar to me is ...

The difficulty level of this lecture/seminar to me is ...

The pace of this lecture/seminar to me is ...

Clear and structured presentation

The lecturer has structured the whole lecture/seminar well and arranged it comprehensibly.

The lecturer points out the learning goals at the beginning of each lecture/seminar.

The lecturer presents the subject matter coherently.

Explaining clearly

The lecturer explains new concepts and terms clearly and intelligibly.

The lecturer explains even complex issues clearly.

The lecturer offers concrete examples that contribute to understanding the material.

The lecturer answers questions from students in a helpful and target-oriented manner.

Summarizing and making connections

The lecturer regularly summarizes the most important contents of the lecture/seminar.

The lecturer links the current session to the previous session at the beginning of each session.

The lecturer frequently refers to already covered topics.

Creating a good learning environment

The lecturer creates a pleasant learning environment.

The lecturer takes the interests of students into account.

The lecturer takes the contributions of students seriously.

Generating interest and avoiding monotony

The lecturer varies the structure of her/his lectures/seminars.

The lecturer captivates students through a stimulating and dedicated presentation style.

The lecturer maintains students' attention throughout the session.

The lecturer generates student interest in lecture/seminar topics.

Clarifying relevance

The lecturer highlights the significance of the subject matter for the rest of the studies.

The lecturer clarifies the application of the subject matter.

Dealing with disruptions efficiently

The lecturer is able to establish a calm and undisturbed learning situation.

The lecturer deals with disturbance and disruptions appropriately.

The lecturer demonstrates the necessary assertiveness in the face of disturbance and disruptions.

Directing communication

The lecturer directs back to the topic when individual students head off-course with their contributions.

The lecturer directs the discussion in the learning group in a target-oriented manner.

Making use of time

The lecturer shows very good time management.

The lecturer uses the available time efficiently.

Assessment of output

I have learned a lot in this lecture/seminar.

All in all, I am satisfied with this lecture/seminar.

The workload for this lecture/seminar is based on the ECTS (1 ECTS point equals approximately 30 hours)

Feedback

I particularly liked about the course:

- Eins der besten Tutorials, die ich je hatte! Sehr nachvollziehbare Erklärweise und saubere Notizen.
- Great tutorial, but please speak a a bit louder and write a bit clearer. But all in all very good. Thank you for holding the Tutorial the way you did.
- Sehr gut gemacht. Außer der kleine Aussetzer bei dem Statistikprogramm, ein sehr gutes Tutorial
- efficient, calm and pleasant work environment
- friendly atmosphere

The course could be specifically improved through:

- More interaction, further tasks as for me it's been impossible to answer the Problem Sets beforehand. Therefore it'd be great to have similiar tasks to controll whether I really got the point which is difficult when having exactly the numbers and steps in mind from the tutorial.
- too much extent of the topics, a little bit too fast (no time for writing AND thinking)
