Declarations

- I hereby request admission to the PhD examination.
- With reference to the 'Directive to Secure Good Scientific Practice and to Avoid Scientific Misconduct' of the European University Viadrina I hereby attest that I have personally written the thesis, not used any nonpermissible external help before or during the writing of the thesis, not used any references other than those listed in the list of references at the end of the thesis, and identified as such any sections literally or analogously taken from the writings of other authors.

- I hereby declare on my honour that the thesis has not been submitted to any other institution entitled to confer PhD degrees with the result of neither degree conferral nor final failure of the PhD examination.
- I hereby declare on my honour that I have already taken part in at least one PhD examination.

Yes No

- If applicable:

Name and location of the institution

Date of the PhD examination

Result of the PhD examination Passed Failed

I have enclosed the following documentation to my request of admission to the PhD examination:

- The proof of admission to PhD studies
- Three hard copies of the completed PhD thesis (based on section 11 subsection 4 of the PhD regulations dated 2012)
- An electronic copy of the completed PhD thesis including primary data if applicable
- A CV in German or in English language
